Objective

I am a highly motivated 3rd-year Electrical Engineering student seeking opportunities at Accuenergy to apply my passion for learning, problem-solving, and engineering. I aim to contribute to a dynamic, fast-paced team environment focused on power system automation and product development. With a growth mindset and a strong foundation in AutoCAD drafting and electrical systems, I am eager to support technical design, manufacturing workflows, and project execution while gaining hands-on experience in a collaborative, detail-oriented setting.
